MUSIC

Janet Liang, President, Kaiser Permanente Northern California: We are very proud to be in support of celebrations like this because when you go out and you celebrate, and you show up as an organization, you're sending a message to everyone that this is what we stand for and this is who we are.

Shondale Jones, National Communications, Kaiser Permanente: There's like so much love and excitement, just like a lot of support. I like it.

Lawrence Wong, MD, Genetics, Kaiser Permanente Oakland: It's pretty amazing how you just see lots of smiles and happiness. And it's just nice.

Kathy Eveland, National Facility Services, Kaiser Permanente: To work for an organization that is so supportive of our community and of love and inclusion for everyone is so awesome and it warms my heart every day. It makes me proud to go to work.
