NURSES WEEK 2020

It's selfie time!

In celebration of Nurses Week (May 6th-12th), we want to share photos of our inspiring team of NCAL KP nurses. That means we need your pictures! Here's what to do:

- 1. Fill in your name** (first or first and last) with a dark marker in the box on 1 of the 4 selfie sheets.
- 2. Hold up the page and take a selfie.**
We also encourage you to have a colleague take your photo or join other nurses to do a group shot.
- 3. Submit your photo through the website:**
lookinside.kp.org/selfies-of-the-selfless
- 4. Visit the page** to see your photo appear and to watch the gallery grow!
