## Building the HIV Provider Pipeline

**Wednesday, July 8 • 9 to 9:30 a.m. PT**

**Moderator:** Mitchell Luu, MD

**Panelists:** Elysia Engelage, MD • Leah Goodman, MD • Kecie Pitts, MD • Sally Slome, MD

The United States is facing a shortage of HIV clinicians, while the demand for HIV prevention and comprehensive care services is growing. Kaiser Permanente recently launched an HIV Clinical Fellowship, one of a handful of programs in the United States. Join our panel discussion of how to best attract and train the next generation of clinicians.
